Dear Nelligan,

Splendid! Just the thing! You write a nice article in the St. Barts Journal which would start the ball. I have written to Dr. Funk asking him to get a specific estimate of the cost. Then I will form a committee of our Historical Section and ask for funds. You, Sa'eed and Funk, with any native doctors you may select, will act as a local committee. I will bring the matter before the College of Physicians and the Academy of Medicine in Paris and have a circular issued in Arabic by Margoliouth which can be sent to the Moslem physicians in Algiers, India and Egypt. I hope to hear from Funk shortly about the estimate. Sa'eed seems a very enthusiastic fellow.

With kindest greetings and regards,
