Dear Dr. Sa'eed, We shall have a very interesting meeting of the Historical Section of the Royal Society of Medicine on Wednesday, the 4th, to which I hope you will be able to come. I will speak with Dr. Cowley about the old MS. The difficulty is that we are terribly hard up. They really should go to the British Museum. I will speak with Cowley to-day and let you know.

February 25 1914.

Dr. Sa'eed.
