

Dear Margoliouth,

CVS417/39.56

So glad you will speak at the Persia Society.
I send by my secretary Landau's book in which he gives an abstract of the Prayer of Maimonides. The Journal to which he refers in the footnote gives a much fuller prayer but no reference to the original, and I should like very much indeed to know in which of the writings of Maimonides it occurs.

May 14 1914.

Prof. Margoliouth,
Oxford.

P.S. I am sorry I cannot be at the Standing Committee to-morrow. I have to be at a Royal Commission in London.
