CUS417/39.67

Dear Wickersheimer,

Thank you so much for your kind congratulations. I was delighted to hear of my election, as I know how keen a competition there is for the honour.

So soon as we have received the official permission to repair the tomb of Avicenna I will get the circular ready and will send you some for distribution.

Dr. Wickersheimer,
16, Rue Buonaparte,
Paris.

June 6th 1914.
