My dear Chief

Murkhead has just sent me a copy of his memoir of Lady O for suggestions and emendations, and he asks that I submit also to you. It is his plan to issue it privately at the Press, but from what I know of his affairs, I am sure he is not able to bear the financial responsibility himself, and

~~I~~ think we perhaps ought  
to pass the hat for him  
if you and 'Aunt Sue'  
approve of its being issued  
in this way. £50 or 60  
ought to cover it & Lucia  
wants to contribute £25.

I am sending a copy  
to Bill & Arnold has  
sent me to 'Aunt Sue'

Yours ever affl,

John.
