

COS417/41.19

From Lady Osler. to Sir Wm. Hale White

Script.

13, Norham Gardens,  
Oxford.

Sunday.

Dear Sir William,

Your kind note and message I appreciate. You helped us all in the dreadful fight for life, but he never had any hope from the beginning and I always believed what he said. He was always right. I hardly dare look beyond the tomorrow. Kindest remembrance and thanks to your wife.

Sincerely,

Grace R. Osler.

Don't please for to keep... I know the old Professor... Do not...  
I know the old Professor... Do not...  
I know the old Professor... Do not...

From the Medical Professor of Medicine

From the Regius Professor of Medicine,  
Oxford.

Nov. 13th., 10.

Letter (Script)

Dear Archie,

I knew you would be pleased with the Helferich which is a  
first class book. I know the old professor very well. Do not  
work too hard and look after your health. get some fresh air  
you have got to keep yourself very fit. Keep Harry Wright up to

Yours truly,

W. G. B. Oates

Kindest remembrance and thanks to your wife.  
I hope you will be well. I know the old professor very well. Do not  
work too hard and look after your health. get some fresh air  
you have got to keep yourself very fit. Keep Harry Wright up to

Dear Sir,

Yours truly,

W. G. B. Oates
