Tom McCrae thought the old people looking  
looking "remarkably well". W. O. has lost one stone but  
lately has slept much better and been in better spirits.  
He was really jocular with Col <sup>[Tom]</sup> McCrae and devoted much  
time during the week to the Text Book which was a  
comfort to Tammas. --- Reggie goes to town to finish  
up the Royal Commission on Welsh Education
