Dear Mr Cushing.

I have just received
(this p. m.) your note of May
3rd. I wrote to you yesterday
in answer to yours of Apr 26th,
and, strange to say, actually
anticipated some of the
questions you ask in your
May 3rd note. I also spoke
of my fancy about re-visit-
ing Barrie. ODD was it it?
in view of your possible
visit to Toronto. I shall
refer to this later.

Time has played havoc
with them and worst
of all The boys are
all gone. These things
are fated and no remedy.

Let me know if you
think of anything on which
it is possible I may be
able to throw any light.
With kind regards from
Mrs Wilburn and myself.

Believe me,

Very Sincerely yours

E. F. Wilburn
