A note book of the ^{period} ~~James Bonell~~ is typed dated 1/10/69 ~~was W.O. 805 after~~
~~James on visit to Toronto~~. The name of James Bonell is scribbled over ^{the pages} ~~the~~ fly leaf and
in pencil on the fly leaf his full title "James Bonell M.D., M.P.C.P., Prof. Nat. Theology,
in Trinity College Toronto Lecturer on Institutes of Medicine Toronto School of Med. Consulting
Physician to Toronto General Hospital. Physician to Syring in Hospital. Lay secretary to Provincial
Synod Author of Outline of Natural Theology etc etc etc James Bonell" The man must have
come to exercise an enormous influence on the boy. The book otherwise is of no
great interest. ~~There are notes on~~ algebra, chemistry, pediatrics taken at one time
it contains a few pages of chemical notes, one is filled with the next few months
(and materia medica ~~at~~ Nov. 3 69 to July 9 '70)
