Produced in a letter from London -

Also met Dr. Coler one of the young graduates from Leins, who is working
the hospitals and preparing to take the Royal Coll. of Surgeons degree - also
three or four other McGill men - some mentioned they will all give a
good account of themselves.

During this year Arthur Ashburner writes letters from the Journal about a procedure,
and May 7th 1873 acknowledges having seen in Dr. Coler for notes of case at the
University Hospital - was one of Mrs. Eubank's operations of the eye and
Blindness in children, vol. 2, p. 550.

Thus in May 1873 we still attending Surgical operations - !
