

2. (Chapter V, p. 34-a). Did you have relatives on the East Coast in Norfolk, whom he visited the Christmas of 1874? And what does the Wittton vicarage refer to?

Yes. The Norfolk families were related to his brother-in-law, Col. Sayer, who married his sister Charlotte. I do not know who lived at Wittton vicarage; it might have been a Sayer or an Holman (his sister's Cambridge days - Mrs Sayer might know).
