My dear Jimmie

Yours of 18<sup>th</sup> at hand. Enclosed herewith find the \$2<sup>00</sup> you mention. W. Osler was in Toronto last week & returned to Dundas Saturday 18<sup>th</sup>. You will have heard from him by this time no doubt. He is off to Montreal about Saturday next the 25<sup>th</sup>. The Faculty of M<sup>c</sup>Gill & C<sup>o</sup> think he should be there. . . .

I have had a house full but they are all away again. If you have an hour after receiving this go & see Louisa Noble, she is at M<sup>rs</sup> Jno' M<sup>c</sup>Carthy's, & if you can not find her call at M<sup>c</sup>Carthy's the Lawyer in S. Cote & find out where she lives. Louisa has been very kind & attentive both to me & to the school & if you can only call & see her do so, if you have time, it is easy to take a walk with her, or if she wants to know any one, try to get her an introduction to them. Write me if you want anything.

Your affect<sup>e</sup>. father

W. A. Johnson
