On return stage of Roddie, 2-3 months. P. then demonstrates planet. Later Prof. Hygiene.  
On Dr. <sup>assignment</sup> ~~Dr. Roddie~~ 1874 <sup>Section</sup> ~~Dr. Roddie~~ Prof. of Institute of med. (#)

~~Therford rooms and office (much neglected) with Dr. James Buller (Buller's shell)  
Cor St. Catherine St  
Essex Court, Bishop St. lived together several years. O's office up stairs - Buller on ground floor.  
# Ref. Miss Abbott's story. She showed  
him an unlabeled heart in a jar for  
him to place - and she made the  
symmetrical nervous. After heart  
had not stopped pumping when it  
did James was not here. It was  
Dr. Roddie -~~

~~Just had office, Howard made him take one (the  
nervous used it a long patient), below Beaver  
Hall Hill, Radegand St.~~

Later W. A. Malson Gardner was W. O. lived together. Also Ross & Shepard used to go  
up country - together. Ross died 1892 art. sclerosis - never married.

~~Some club in France. Shepard, Roddie, Bloodgood, Gordiner (Linn) Ross Malson re.~~

Order examined Ross & Shepard in 1874 for life ins. S. turned down owing  
to voluntary loss - only one of the surviving.

W. O. was very high church when S. knew him
