Smallpox.

Again, Editorial Can. M. S. J. July, 1875.

"The Small pox wards of the Mount Zion Hosp. must  
be removed or else the Hospital will be deemed an  
open-air hospital."

~~There was a law obliging all hospitals to keep a  
small pox ward.~~ <sup>recruiting grounds for the Legislature</sup>

1875

In Sept. there was an anti-vaccination riot and the  
house of one of the medical men was pulled.

In July 1876 after all the agitation a City Small Pox  
Hospital was announced so W.D. probably the last to  
have to look them at night.
