(To Miss Jennette Osler)

Dear Jane

Would you kindly look over this obituary notice and make any alterations & if you feel inspired, put a finish on it. If you get time you might copy it out making the corrections as you go, for I have to send two copies of it to Toronto by tonights mail

I have a meeting at the Molsons bank at 1 o'clock & am going to Mrs H R Molsons between 4 & 6, so that I had better come at 6.30 for a bite of dinner & we could look over the note then. Let them keep Billie up until 6.15 at least. With benedictions to the Mother of
