June 1885?

(HPPB hand-  
writing)

Whereas we had been led to believe that the authority to organize & control the 9th International Medical Congress had been permanently delegated by the American Medical Association to its original committee, thus providing against any radical changes in its published programme, and

Whereas the American Medical Association has revised the action and annulled appointments of that committee in a way which we regard as detrimental to the interests of the medical profession of America & fatal to the success of the Congress

Therefore, be it resolved that we, the undersigned, members of the medical profession in Boston & vicinity, concerned in the organization of the 9th International Medical Congress, decline to hold any office in said Congress as now organized.
