Dear Osler,

While we talked ~~Pracastorius~~ I was trying to recall what I knew of him and found it later - I could not discover the translation in Dryden's Miscellanies - but re-remembered it and looked up. M + Tate "and now attempted in English" 1686. We have two copies - Dedication is given in verse -

To Mr. Hobbs -
Surgeon to his Maj. ²⁰ "?? way?"

I suppose you to have stirred ^m ~~Reverson~~, as I am ^{to} his (Shirley ??) lecture on the 27th.

Yours sincerely,

WEIR MITCHELL.
