Franklin D. Roosevelt

I have come across  
some few letters of Orlan  
which I enclose in a  
separate envelope.

I fear there is not much  
in them. Still I send  
them to you on the off  
chance that they may  
be of some use.

The other documents  
enclosed are more whole  
I have kept relating  
to the Embassy about  
the Rogers Fellowship.

I fear they won't be  
of much interest. I'm  
except as evidence  
of his correctness of  
the statement I made  
to you the other day.

Kindly return them  
as I should like to  
hear from you.

Yours truly  
B. B. Sturges
