

(Letter to Edward Milburn, Esq.)
(typewritten)

CUS417/101.6
Oct. 11th. 1904.

1, WEST FRANKLIN STREET.
Baltimore, Md.

Dear Ned:-

There is no risk whatever. Scrupulous care must be taken of the sputum. He should be careful, always, to cough into a handkerchief or into a towel.

I should be glad to hear from Dr. Sprague about him. What a sad time it must be for you all. Let me hear, please, from time to time how he is.

Sincerely yours,

WM OSLER

(about my dear boy - E.F.M)
