Dear Martin

I shall twist my Fraileins neck! She is a daughter of the Philistines I suppose she thōt (Lord Strathcona's usage, to be adopted by the Dept. of Eng. at McGill so Pr. Pet<sup>o</sup> informs me!) you were in the Ass. of Am Phy. list. I am sending them with my own hand, with inscription &c. so your forgiveness I know is assured Is your name up for the A. A. P? I asked Stewart about it. I hope Billy Francis is working well. He knows more about Astrophel & Stella than amyotrophic lateral sclerosis.

I have not sent your bill yet to those Cincinnati people. I will enclose it with mine - they are well to do, but the poor soul is 'in the dust'.

Yours, &c.

W<sup>m</sup> Osler.

Love to Hamlet. Campbell H. is a great success. Working like a Trojan.
