(hand-written)

Dear Adami,

Miss Abbott has sent me the estimates for printing etc. for the Museum Catalogue. We need \$1000 - possibly 1200 as it would be very nice thing to give her some recognition when the volume appears. I would like to raise the fund, if possible.* Let me know as soon as convenient the names of 15 or 20 business men who are interested in the College, to whom I might write. I will attack the doctors, too. Who is the Treasurer of the faculty now - or to whom should cheques be made payable?

I will start with the enclosed which please turn over to the proper person.)

Love to L.M.C. and the chicks.

Yours sincerely,

Wm. Osler.
