Dear Ogden

I - we - are perfectly delighted! You deserve a good wife if any fellow ever did. & the woman is very lucky who will call you husband. Do not worry about ages - You are a young man - & marriage will make you younger. I have left Murray Bay & you followed me. I was afraid to take Mrs. O across - as the damp upset her so horridly last summer. She has been at Murray Bay for 3 weeks & is perfectly well. I am sailing tomorrow - just a short trip. I shall be back about Aug. 16th. I am writing to Miss Winckler - so sorry I did not see her but I approve of the family & her sister is a jewel. Give her my love.

Greetings to your family.

Ever yours,
W^m Osler

Let us know the date of the wedding - You must come East to us.
