DR. THOMAS McCRAE
1627 SPRUCE STREET
PHILADELPHIA

June 17th, 1920.

Dear Harvey:-

I have just got at a number of letters of some years ago from Sir William and have picked out about forty that I think perhaps will be of some help to you. I do not know just how soon I can have them all copied and sent to you, but I shall try and have it done as rapidly as possible.

In regard to the North Atlantic Medical Society, I do not know whether you have the programme that we got up on the Campania. I enclose a copy of it. Later on I think W.O. made out another one, *which was rather absurd.*

With kind regards,

Yours very truly,

Thomas McCrae
