

W.O. to J.Y.W.M.

Oxford,
October 3, 1919.

Letter (script).

Dear MacAlister,

Tell the Hist. Section secretary to put off my Laennec'talk'. It is hopeless to promise anything with the strike on, and I would have such a lot of stuff to bring up.

I hope all went well with the Fellowship.

Yours sincerely,
WM OSLER.
