

F. R. O. to Mallocks

CUS417/130.23

(letter, script)

Thursday before dinner

[23, Oct '19]

There doesn't seem much change here except that Sir William likes to read to himself part of the time. His Temp. keeps at 98.6 - but he has a very irritating cough nearly all the time - He slept on 1/4 grain last night - appetite good. If he could only stop thinking & regretting it would be a comfort
