Dear Strong

You will have heard from Francis who is delighted I am sure Browne would find him a capable & trustworthy assistant. His meticulousness equals anything you met with at the Oxford Press & he has a good knowledge of languages, ancient & modern. I am still in bed - but better. I never had an attack of the same type. I believe it has been whooping-cough! Love to Mrs. Strong

Yours ever

My patient is gaining slowly - but is very disinclined to sit up. Can read to himself now & I think the cough is lessening. Lungs perfectly clear. He is so happy that there is a chance of Billie F being with you -
