

CUS417/39.37

Dear Dr. Sa'eed,

I heard from Dr. Nelligan to-day. He says that Funk is working at an estimate which will be sent as soon as possible. I hope we shall be able to get it out this spring.

When do you return? I would like you to come down and see us before leaving. *Sincerely yours W. M. O. R.*

11 March 1914.

Dr. Sa'eed,
