Dear Sir George, Kind man! I am delighted! Your help will be invaluable. Neligan is not in England. I had a letter from him last week. I should like so much to call and talk over the project, of the progress of which I will keep you informed.

Sir George Birdwood,
5, Windsor Road,
Ealing.

P.S. I am old enough, too, to have been brought up on Pereira. I am astonished to hear that his name is not in the D.N.B.
