Dear Dr. Sa'eed,

I have had no letter yet from Nelligan and am still waiting the official permission before I get the circular ready. So sorry to hear you had trouble on the way. I am writing to Dr. Nelligan at once and as soon as I get the official statement I will put the matter in hand and ask for subscriptions.

Kindest regards from Lady Osler and myself.

July 1st 1914.

Dr. Sa'eed.
