Dear Ogden

Just back from Toronto - all very well there. The Francis children are growing so fast. May a blooming young woman. Send on the report of those typhoid cases to Hay/s. They are of unusual interest. I hope you will write those articles - you are much more able to do so than many of his contributors. Sorry I forgot to order reprints of my Chorea papers. I am working at Ner. Dis. of children & going over the records at the Infirmary. Do arrange to stay a few days here on your way thro to New York.

With best wishes for the New Year.

Sincerely yours,

Wm. Osler.

I Jared Howard is to marry Miss Smith on Feb. 9th.
