Dear Dr. Ogden,

I thought I wrote to you saying that the Dr. was in ^{WMA}Cacomia with the Howards but that I had forwarded your letter on to him I wonder how my letter miscarried. I sent yours to the Dr. & he received it for I asked him on his return. We are delighted at the prospect of seeing you so soon- we shall be back in town at 126 Milton Avenue near the Usbournes. We shall not be in full numbers to welcome you for the 3 boys go to school at Port Hope next week I shall miss them dreadfully.- The Usbournes are having trouble or troubles first that nice boy died of diphtheria then the Baby boy died & now their house has been burglarized & lots of valuables stolen- coins(a collection) jewelry, etc.- The Dr. has paid us a happy visit & looks just the same- he only left on the 3rd. I am always so glad to hear of you

Yours very truly

Marian Francis
