Dr. J. H. Musser

3/7/88

*Jelly*

(postcard - handwritten)

Dear Musser, Don't fail to be at the Staff meeting on Saturday & vote for Kelly in poor *Mr. Minner's* place. J. William White & others are running Davis and the staff must show its hand strongly by placing Kelly at the top of the list of candidates. D. can wait, he has only been here 14 mos. and is not to be named with Kelly.

Yours

W.O.

*Years afterwards he wrote a follow up letter to J.S. Cullen of this episode:*
