My dear Ogden

I am so sorry to hear that you are ill, but you are fortunate to be with your relatives & in the care of Wallock. I hope you will be all right in a few weeks - the knocking about was too much for you. I wrote to you the other day addressing Milwaukee, as I thought you had returned. I told Wallock to let me know how you progress. Mrs. Francis will be so sorry to hear of your illness. Keep chirppy - what are a few weeks in a long life. It is very worrying but Was muss sein - muss.

Yours sincerely,

Wm. Osler.
