Dr. J. H. Musser:

My dear Sir:-

It is proposed by a few of his more intimate professional firends to offer Dr. Osler the compliment of a dinner before he leaves Philadelphia to assume his new duties at Johns Hopkins University. The dinner will be limited to about forty covers, and the Committee hopes that you will be one of the subscribers. Dr. Osler has fixed Saturday, May 4th, as a date which will be agreeable to him, and the dinner will be served at the Hotel Bellevue on that day at half past seven o'clock.

Should you desire to be present please signify your intention to Dr. J. K. Mitchell, 314 So. 116th St, Philadelphia, as soon as possible. The price of the dinner will be seven dollars a plate.
