Dear O.

When are you coming to see St. Johns Hopkins? Do try to come on before I leave - April 20th - for England. We have everything in fair order now. There is a bed ready for you at any time. I go north for Easter Sunday to say goodbye to them all. . . .

~~Have you heard that May is engaged to young Lambert Bath - a nephew of Percy's - a very nice young fellow & in very good circumstances.~~

How are you? it seems an age since I saw you. ~~Mr.~~ O. who keeps house for me joins in hoping that you can come on before I leave.

Ever yours,

W.O.
