Dear Thayer

We arrived here last evening after a delightful trip- sunshine all the way & no rough weather until Thursday. I escaped all discomfort and hove' but once and that without any of the attendant nausea etc. We are off to Salisbury for the day and shall spend tomorrow at Netley Hospital. I hope you are not being worried too much by the cranks. Tell Hoch I shall send the introductory note to Hirt next week. I quite forgot about it. Ask H. to keep up these Typhoid blanks as the cases come in it would save time.  
Love to all
