Dear Lafleur:-

I was greatly distressed to find you had been here in my absence. I wish you could have let me know and we might have arranged a meeting. It is too bad also that your copy had not reached you before you left. Owing to an oversight my private list did not go until after the first printing of 3000 copies had been entirely distributed. Your brother acknowledged the receipt of it. I enclose a note to Dejerine and have written to him about you.

I sail on the 28th on the Ems to South Hampton on the North German Line. Just drop me a line about the third or fourth of June to say what you are doing and what are your plans. My regular address will be Brown, Shipley & Co., Bankers, London. I shall spend the month of June in London and the greater part of July on the sea-coast in Cornwall. I hope you will be able to come over and join me in London towards the end of the summer. I sail for Canada about the middle of August.

Very sincerely yours,
W^m Osler

P.S. It will not be unexpected news to you to hear that I am to be married to Mrs. Gross. We shall sail for England May 28th. Shall hope to see you in London. Poor Reuben!
