Dear Lafleur

So glad to hear from you. I - we - sail on the Ems on the 28th to Southhampton. Brown Shipley & Co London will be our address. We shall be in L. until the 1st week of July, then go to Cornwall & come north to Nottingham for the 28 for the B.M.A. meeting. Do try to come over to it. Let me know your plans - you might get away for a week or so with us or for a little trip at any rate after the meeting.

You will like Mrs. Osler very much. She is an old friend of mine. I feel very safe.

Yours ever
W^m Osler.
