Dear O: -

Dear O: -

Many thanks for your kind remembrance of us. I have just returned from a three days stay in Toronto. All are very well. May and Mrs. Francis were asking for you. I saw the Lockes and Malloch in Hamilton.

Senn must be an old fool. I never intimated that I had any intention of leaving. The papers in Canada have been full of my removal to Montreal at a big salary, but as you will see by the papers, we have just completed our additional endowment of half a million and we shall proceed at once with the organization of our school.

With best wishes for the New Year.

Sincerely yours,  
Wm. Osler.
