Dear L.

So sorry the Path. scheme has fallen thro. T'would have been a great card for the College. Just back from Toronto - very busy 4 days. Index nearly ready - all proofs in - should be out in a few weeks. Reese better - now at spital, very thin - has looked badly, but will improve now I hope. How soon could you leave? I am warned as to date of the Pediatric Soc. - meeting is some time in May - at the end I fear, which would be too late for me. I should like to get off earlier. We miss you very much. I often wish you were back again with us. I am glad a few patients are dropping in - they will come in time, too many perhaps. Love to Ross & the brethern

Yours as ever

P.S. Did you read Fitz (?) Editorial in Boston Med. Jr?
