(Dr. H. V. Ogden)
Baltimore, May 12th, 1893.

Dear Ogden: -

It is very kind indeed of you to ask us. Until quite recently I had fully intended to be at the Association Meeting, and Mrs. Osler had arranged to be in Chicago for the week, but I find that it will be quite impossible for me to get away. I have the Pediatric Society at West Point on the 23rd, 24th, and 25th, the Association of American Physicians at the end of the month in Washington, and the Massachusetts Medical Society at which I give the Shattuck Lecture on the 14th of June. So under the circumstances we have postponed indefinitely our visit to Chicago.

Mrs. Osler is quite amused at your letter. She asked me to send her warmest regards and regrets. She has lived to be sorry for my perfidy.

Yes, May is to be married tomorrow to a very nice young fellow.

You had better report that Alkapton business at full. It would be very interesting.

With kind regards,

Sincerely yours,

Wm. Osler.
