

1 West Franklin St.

Baltimore, March 21st, '94.

Dear President Gilman:-

Carter has been down here, and I have arranged with him to come into the hospital in June. He seems a very pleasant fellow, and I am very glad indeed to be able to secure him.

Everything has been going on smoothly in your absence, so far, at least, as the Medical Faculty is concerned.

Sincerely Yours,

W<sup>m</sup> Osler

*W. P. Carter*
