In W.S. Thayer for W.S.

Dear Thayer,

We have been here, in a sort of Welsh paradise, since Tuesday. Delightful Hotel- managed in a way that would warm Mr. Emorys heart- and as you see a fine beach. But the thermometer has not gone above 65 since Aug 1st so that for my cold ~~morning~~ bathing is impossible. The walks are good and we spend the mornings on the rocks. Swansea is only six miles away & my niece May Francis, Mrs. Chas. Bath, lives just outside the town, & my Father has a whole tribe of cousins here many of whom I have never seen. * You would have been astonished to see me at cricket yesterday I am stiff today from the exercise. The Oxford meeting was a great success- ~~especially~~ at any rate & we enjoyed it very much. I dare say Barker showed you the letter I wrote him while there. We go on to St Davids, on Tuesday and Tenby & shall return to London about Sept. 1st Then shall have a week in Paris. Write if I can get you anything. Send your Typhoid paper to Professor Sherrington Brown Institution Wandsworth Rd. London S.E. We saw so much of Hans Virchow, who is wildly enthusiastic about Armenia. Hale White, Pye Smith, Bradbent & others were also at the meeting. I have received some interesting photos from Sir Henry Acland, whose address on Sydenham I have sent to the News. Poor Gould has been laid up- was ill in London-also at Bristol, where I had to take his place at the dinner. Fortunately Dawson Williams edited my remarks about Hart & his missionary work, which was evidently taken au sérieux, judging from the report in the Journal. I am reading proofs of my little monograph on chorea- How is the Malaria? I suppose you are melted & worked to death. Thank Smith for his letter. I am sure the locum tenens is a great success. Miss H. returns Sept. 1st and will be at your disposal. I want her to go over all the old cases & add the anatom. Diagnosis. I will send you a memo of what I want her to do so that you may know how much there is. Love t all the boys- Billings, Norton, Oppenheim, Carter, Barker, Flexner & others- not forgetting Mr Emory & Mrs. Bonner.

Yours ever

W.O.

Mrs. Osler sends love to all. She is well & fat

* Swollen all at Mrs. Bath's
wearing on chorea

Sherrington for successful studies
as Professor Superintendent of the Brown
Institution circa April 1894
