My dear Dr Osler

It gave me much pleasure to receive your letter of recent date and to learn that you and Mrs Osler were again in Baltimore.

The books have reached me but I trust that you will pardon me if I read them over again before I send them to you as it has been several years since I have looked into either of them.

I am told that the portrait is not a good one but I will also send you a small lithograph in which you will find the characteristic expression of Dr Drake.

I enclose a letter received yesterday from Dr Drake's son-in-law which will give you in a sentence his estimate of his father-in-law.

It will give me much pleasure to find my way to No. 1. West Franklin Street should I, at any time, visit Baltimore.

With kindest regards to Mrs Osler and to yourself.

Believe me,

Sincerely yours,

W. H. BRIDGMAN.
