No. 1 West Franklin Street  
Dear Ogden: -

CUS417/91.13

(Dr. H. W. Osler)  
Baltimore, Feb. 6th, 1895.

March, April, May, June, or any month will be convenient for us to put you up, and I hope you will be able to pay a nice long visit. You can potter around and be just as independent as you please. X

I shall be glad to see your friends, and there will be no difficulty in taking the husband into the hospital, unless he has acute alcoholism; such cases we do not take.

Russell is away in Europe.

With sincere regards, in which Mrs. Osler joins,

Sincerely yours,

Wm. Osler.
