(Letter to Mrs. N. S. Reid-Baltimore)

1 WEST FRANKLIN ST.
BALTIMORE

Dear Mrs Reed

I shall probably need the tub! So sorry to hear that the patient is not so well. Hope it is nothing serious. I have been in the house since Friday with a very severe cold & shall not be out for a couple of days. If you are not afraid, & could come to have a consultation chat come over tomorrow

With best wishes

Sincerely yours
