(October 1895)

1 West Franklin St.

*DS,*  
Dear Dr. Lamb

*Amy Maud Mussen*

I am extremely grieved to hear of the death of your wife. What a terrible shock it must be for you! Could it have been one of those remarkable instances of hemorrhagic Typhoid or was it an anomalous form of purpura hemorrhage. Please accept my sincere sympathy.

Yours most truly,

Wm. Osler

(death of Mrs. Lizzie Scott Lamb)
