Dear Dr. Cushing:

I was not aware that Abell was with us on the occasion of the election in 1895, when we broke the power of the ring. If my memory serves me correctly Bliss of the Johns Hopkins was down in the 17th Ward at that time and had his jaw broken. The ~~worst~~ I got was a hard punch in the face from a tough, inspired by the local boss. *The fight has been easier ever since those days.*

Faithfully yours,

HAK/HG
