Dear Ogden: -

Do you remember sending me the report of a case of Raynaud's disease with curious falling attacks? Do you happen to know what became of the girl?

I thought you were coming on here this spring. I wish you would come and stay with us for a couple of weeks. I shall be here until the first of July. Mrs. Osler and the baby go the first of June.

Sincerely yours,

Wm. Osler.

I am preparing a paper on the cerebral complications of ~~Raynaud's~~ <sup>the</sup> disease & would like to refer to your case. W. O.
