Dear Laffie:

Thanks for the 10 the balance of or all of which I will hand over to Mrs Gus for the kids if you do not mind, & I know you wont. Tommy J. - poor devil - called here on his way to the Hot Springs. If his nerves can be quieted a bit he may peg along with that liver for some years barring the accidents. I think you will find it smaller - the spleen shows no change.

Egerton sends love.

Yours  
W.O.
